

Supervision 3
Jiachen Jiang

Read the following sections of the handouts:

3. Forces

4. Kinematics

5.1-5.9 Dynamics (Newton's Laws – Momentum)

Q1

Additional Problems – Forces – Question 5

(If you worked out this question last time, you might skip this.)

Q9

Additional Problems – Forces – Question 4

(If you worked out this question last time, you might skip this.)

Q3

Problem Sheet – Kinematics – Question 12

Q4

Problem Sheet – Kinematics – Question 13

Q5

Problem Sheet – Dynamics – Question 14

Q6

Problem Sheet – Dynamics – Question 15

Q7

Problem Sheet – Dynamics – Question 16
